

Ju Xing Home *by Chef Ng Kong Kiu*

Every meal had at Ju Xing Home is a flavourful telling of Chef-Owner Ng Kong Kiu's life and times. The hole-in-the-wall restaurant brings to the table Chef Ng's utmost dedication to his craft with each serving of authentic Cantonese and Sichuan dish.

Established in 2011, Ju Xing Home has since expanded to three outlets across Hong Kong. In its wake, it has also earned a Michelin Bib Gourmand recognition as well as the reverence of many renowned chefs and celebrities in Hong Kong, testament to its undying popularity that speaks for itself.

It wasn't long before Ju Xing Home cemented itself as one of Hong Kong's best kept secrets – an intimate family-style restaurant serving value-for-money dishes prepared with fresh ingredients and a whole lot of love. Ju Xing Home burst onto the scene serving up Chef Ng's brand of food centred around togetherness and happiness.

In Hong Kong and Singapore, Chef Ng seeks to continually share his brand of food that marries tradition and innovation for a genuine taste of Hong Kong's finest.
